re: **File No. 2002-32**

OFFICE OF
THE CHIEF JUSTICE

Dear Clerk:

The court should make the change suggested in MCR 2.502 by allowing a party to file a motion to dismiss a case for lack of progress.

This proposed change to the rule makes sense and is an excellent way for a party to have a case move through the system or be dismissed. It will assist parties who want their matter heard or be dismissed.

Thank you for allowing me to communicate.

Sincerely yours,

Sheldon G. Larky
